RETREAT LINE

The OSA has introduced the Retreat Line and SCARDESO/SSA will be using it in the U7- U12 divisions. **The Retreat Line is intended to encourage/teach young players how to play the ball out from their own penalty area by passing to team-mates rather than kicking the ball long ***.

IN THE SCARDESO PROGRAMME: The Retreat line will be positioned at the **halfway line at U7 and U8 age levels where they play 5 vs 5. At SCARDESO U9 where they play 7 vs 7, the Retreat line is one-third (1/3) distance of the field from each end.**

The Retreat Line will come into effect at two points during the game:

1. At a goal-kick
2. When the goalkeeper has the ball in his hands.

At these times, the “attacking” team is required to drop back to, or behind, the Retreat Line. The goalkeeper can then pass the ball to one of his team-mates without the pressure of an opposing player nearby.

The opposing players are only permitted to move inside the Retreat Line once the goalkeepers’ team-mate has touched the ball.

Coaches are encouraged to work with their players on the developmental benefits of the Retreat Line, and to incorporate “Playing Out From the Back” in the playing style of their teams.

SCARBOROUGH DISTRICT LEAGUE (SDL): U10, U11 and U12 age groups the Retreat Line will be signified by off-field cones (or flags) supplied by the home team and placed at **one-third (1/3)** distance of the field from each end. SEE SEPARATE SDL RULES AND DIAGRAMS ON SSA WEBSITE.
